- Proposal (1 page) due 11<sup>th</sup> Nov
- KML creation
- Write Up (3-5 pages)
- Final version due 9<sup>th</sup> Dec
- 20% of grade

# Individual Project

10% write up

- Project planning (Proposals)
- Clarity and effort
- Structure and graphics

20% code

- Diverse use of KML
- Clean code (efficient, no bugs, structure)
- Creative use of code/content

10% presentation

- Clarity and effort
- Demonstrate worth of project (content and/or learning KML)
